

UAE Companies **2020** Vision and Strategy Conference

May 19, 2015 • The Ritz-Carlton Hotel, DIFC
2:00 PM - 5:00 PM • Dubai, UAE

"A Vision for Growth"

Empowering the Potential of
UAE Future Business Opportunities

Greetings,

Subject: UAE Companies 2020 Vision and Strategy Conference

We take this opportunity to extend our support and appreciation towards the vital role played by your organization in developing the optimum business strategies complying to the 'UAE Companies 2020 Vision' and for the application of best practices in achieving high standards of global competitiveness in organizational planning and regulatory management .

Accrediting this idea, with great pleasure Datamatix presents the '**UAE Companies 2020 Vision and Strategy Conference**', on the 19th of May, 2015 at Ritz Carlton Hotel, DIFC in Dubai, UAE, focusing on the 'Strategic systemization of Business Development Procedures' highlighting the theme of 'Empowering the Potential of UAE Future Business Opportunities' under the auspices of government and business organizations.

The conference is one of those global events that will address the best universal practices in institutional transformation leadership, corporate governance strategies, and strategic planning for institutional performance and business compliant services.

We take the honor of encouraging the participation of your organization and decision-makers in this conference which will be held under the auspices of over 500 delegates including regional and global government and business organization decision-makers and leaders, over 30 sponsors and more than 30 expert global speakers and 100 media portals regionally and globally.

We look forward for the participation of your delegates and decision-makers.
