Empowering GCC Smart Government Technologies إدارة وتمكين تكنولوجيا الحكومة الذكية

October 18 - 22, 2015 • Dubai, UAE

Greetings,

With the dynamic ICT changes, and the grand success of the region's mega projects, Datamatix, is taking a new step towards the 2020 ICT technical development roadmap, to support the GCC organizations' next generation ICT development and the professionals' technical capabilities.

Focusing on 5 core areas of government ICT development, with great pleasure, we present the "**Datamatix Gitex Conference for Government Leaders**" to be held from October 18-22, 2015 in Dubai, UAE, with the participation of regional and global ICT professionals to empower the GCC ICT competitiveness.

On this great occasion, we encourage the participation of your organization's IT & ICT leaders, executives, and decision makers to be a part of this gulf technological event and benefit from expert discussions on innovative technologies that can leverage the digital competitiveness of GCC. It is also an excellent opportunity to network and connect with the ICT professionals and exhibit your support towards enhancing the region's global technical competitiveness.

We look forward to your participation.
