

10th GCC Construction Organizations Summit | المنتدى العاشر لشركات المقاولات بدول مجلس التعاون الخليجي

إدارة حوكمة الجودة والتنافسية | Quality and Competitiveness Governance

March 24, 2020 • Dubai, UAE

Greetings,

Subject: Strategic Partnership

We take this opportunity to thank your organization for the immense contributions made towards the development of construction industry and its global competitiveness.

As we all know, the region is witnessing a rapid growth in the construction sector and the global megatrends are changing the construction landscape considerably. It is important to plan for the latest solutions to face the challenges and to ensure the industry's value chain that can meet the demands of the future.

In supporting the constructive efforts to boost competitiveness and support the growth in the sector and to achieve a sustainable infrastructure development in line with the best international standards.

In this context Datamatix presents the **10th GCC Construction Organization Summit** which will be held on 24th March 2021, Dubai, the event will be attended by construction and related industries professionals and aims to discuss the future challenges, quality, sustainability, materials safety, whilst highlighting future of cement and steel industries and environmental challenges.

On this occasion, we would like to request your esteemed organization's support by participating and being one of the events **Strategic Partner** in this important event that aspires to provide an integrated framework for the infrastructure development and investment mechanism.

The participation of your organization will be a great support for increasing the efficiency of the construction sector and creating economic opportunities.
